

ENVIRONMENTAL STATEMENT

It is the policy of Barnsdales to do all its business in a way that will lessen or eliminate any adverse effect on the environment.

In order to achieve this, the company will:

- Use all good environmental practices in its day to day operations.
- Use material from sustainable sources.
- Use registered waste disposal companies for removal of all waste streams.
- Ensure all company vehicles meet all emission standards.
- Always maintain high standards of cleanliness in respect of litter and waste packaging.
- Ensure any cleaning agents used are of a biodegradable nature.
- Ensure any chemicals that are used do not present an environmental hazard.
- Limit to a minimum and strive to eliminate all emissions to the atmosphere e.g. dusts and carbon dioxide.
- Limit to a minimum the use of electricity and gas supplies and to eliminate any wastage. The general aim is a 20% reduction in energy consumption in the next two years.
- Stop the use of any chemicals that have a detrimental effect on the ozone layer.
- Consider all environmental impacts of new equipment or new work undertaken.
- Lessen the impact of any nuisance noise and to work within set hours in residential areas.
- Respect all clients' policies aimed at a better environment.
